Community Information Ann Gibbs

Fire Restrictions

Have commenced, there are severe penalties for burning off without a permit. Please check the CFA website www.cfa.vic.gov.au for all the details of what you can and can't do. Alternatively contact a brigade member as we have hard copies of all the information

Call outs

The fire brigade saw in the new year together returning from a call out in Toongabbie. Fortunately it was only a small job.

Other than that we have been fairly quiet the last few weeks, which is a nice start to summer, but all long range forecasts are that we will have a late season with big fires possible in Feb and March

Cowwarr Primary School

There are still opportunities to enrol for 2017, drop into the school and have a chat to the wonderful staff.

In January the school will be arranging a giant working bee to get the school ready for the 2017 year. The Discover Cowwarr Facebook page will advertise the details

Please be aware of the children on the roads over the summer break
