Cowwarr Fire Brigade

January 2018

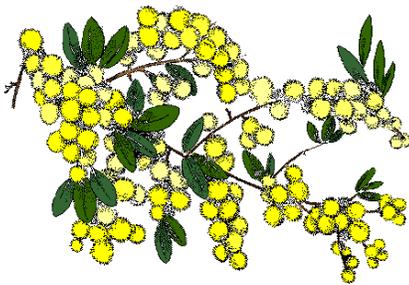

1/18

Australia Day Breakfast

Once again the Cowwarr Fire Brigade with the help of Wellington Shire is hosting Breakfast on Australia Day. It will be held at the Cowwarr Hall.

Flag raising is at 8.00am followed by cooked breakfast and Brian's famous lolly scramble. All residents and guests are welcome to attend.

As always the fire brigade will be available to discuss your fire plans on the day.

Cowwarr Primary School

School is on holidays at the moment. The 2018 year begins for the teachers on Monday 29th January, children start back on the 30th January.

Anyone requiring uniforms can meet Sam Stammers at the school on the 29th.

Cowwarr Primary school has a new teacher Chanae Johns joining the team in 2018

Cowwarr Fire Brigade

2017 was another busy year for the brigade. We attended 28 jobs.

2 Grassfires over one hectare

7 Grassfires under one hectare

7 Structure fires (Building fires)

1 Power pole fire

1 Smoke sighting

2 Rubbish fire

1 child trapped in car

1 car fire

1 truck fire

1 Uncontrolled burn off

1 strike team call out

1 car accident

1 Burn off during fire restrictions

1 assist other emergency service

Our members with the most turnouts were Doug Steley, Brian Burleigh and Trevor Astbury

As a brigade we appreciate the support from community, the majority of jobs were “real” (not false alarms). Remember if you need us anytime we are only a phone call away, 000 is the number to call. Give us as much information as you can,

Cowwarr Football Netball Club

The renovations are going well with walls going up on the new change rooms.

The Cowwarr FNC (affiliated with the North Gippsland Football Netball League) is seeking applications from suitably qualified people to perform the role of Club Trainer in 2018. Club trainers provide medical first aid treatment and advice to the Coach and players at training sessions and on match day. Ideally applicants will have experience in strapping and sports injury management and we encourage workers/students in the fields of medical or higher level allied health study to apply. All applicants will be required to maintain relevant first aid training and obtain a current Working with Children's Check (we can assist with this). Remuneration will be negotiable for suitable applicants. Please send all applications, including relevant experience and accreditations via email to sar-lee@bigpond.com or call 0448898858 for further information.

Football Pre-season training will officially recommence on Wednesday, 17th of January at Catterick Reserve, commencing at 6pm.

Training will then continue every Monday, Wednesday and Friday until later in the preseason when we will transition to Cowwarr and change to the traditional Tuesday and Thursday sessions.

Remember: it is expected everyone will attend training as we look to build on the hard work we put in during the pre- Christmas sessions and prepare ourselves as best we can for a successful season!

Those of you who may think this is too early for you to commit or if you aren't sure if you actually want to play or not, just come to training anyway!!! Turning up late in the preseason puts you a long way behind your mates and makes it almost impossible to get yourself in any condition to compete at your best in our competition (in any grade!!!!) This leads to you enjoying your footy less and increases the likelihood of you being injured! Plus, it impacts on our ability to be the best club we can be because we need everyone playing their best in order to be successful!

So look ahead in the calendar, lock in the date and come and be a part of it!!!

The 2018 season starts 7th April at home

14th April at Rosedale

21st April at home

St Brigid's Bulletin

The Christmas carols provided a joyful introduction to the Christmas season. Ed O'Brien and fellow musicians demonstrated that COWWARR HAS TALENT. Encouraged by our musicians those present gave enthusiastic and reasonably tuneful rendition of the carols.

The carols provided a fitting introduction to the main event which is Midnight Mass. (A standing ecclesiastical joke is the person ringing up to ask about the time for Midnight Mass). The birth of Jesus is undoubtedly a most significant event. For he was born a Jew, raised as a Jew and died as a Jew. Yet he is founder of Christianity which is a major world religion. He also saves us from our sins.

The next significant event will be the Epiphany when the Maji from the east came to worship Jesus. So Jesus' life had significance far beyond the Jewish nation. Clearly, Mohammed was not one of the Maji. Yet to this day, Jesus is recognized by ISLAM as a major prophet.

COMMUNITY VISITORS SCHEME
AN AUSTRALIAN GOVERNMENT INITIATIVE

Be the change and reduce isolation by visiting an older person

The MS Community Visitors Scheme (CVS) is seeking male and female volunteers to visit older people living in **Warragul, Trafalgar, Latrobe Valley and surrounds** to provide friendship and companionship.

MS CVS volunteers visit recipients one-on-one in Aged Care Homes or their own homes. If you have time to contribute one visit per fortnight, over a minimum of 12 months, we would love to hear from you.

It is as simple as sharing stories, having a cuppa and chat, reading or taking your new friend for a walk. You could include your children or a family-friendly dog. Just spending quality time will make a difference! If you would like to become a community visitor, email volunteer@ms.org.au or phone us on **(03) 9845 2729**
